

ParcelPilot Support Policy v3 (CURRENT)

Effective 2025-06-01. This is the current general support policy and supersedes v2.

Cancellations

Standard and Business customers may cancel an order free of charge up to 24 hours before the scheduled pickup time. Cancellations made within 24 hours of pickup incur a cancellation fee of 10% of the order value.

Enterprise customers are governed by their individual enterprise agreement, which overrides this general policy.

Service Credits

If ParcelPilot or its carrier partner is at fault for a service failure (for example a late pickup caused by carrier fault), the customer is entitled to a service credit of 10% of the affected order value. Credits above the agent approval limit require manager approval.

Support SLAs

Standard: first response within 24 hours. Business: within 8 hours. Enterprise: within 4 hours, per agreement.
